

GARY TAYLOR DANCE

THE PROGRAM

BECAUSE YOU WANT SOMETHING DIFFERENT

Gary Taylor Dance offers an exciting place to learn for dancers ages 4 to adult. Age and ability appropriate classes are available in ballet, pointe, jazz, contemporary, tap, and hip hop.

Gary Taylor Dance is the home of Imagine Youth Theater and Imagine Youth Theatre Jr., featuring performance workshops for young actors grades 2-12.

Gary Taylor Dance features PK Dance, a program specifically focused on the preschool years teaching pre-ballet, creative movement, tap, and tumbling.

Gary Taylor Dance offers the Ensemble Performing Member Program, an apprentice program, for those dancers wishing a more intensive diversified study/performance program. These students are eligible for participation in the annual Nutcracker and spring production, along with special events, master classes, and festivals.

Browse our website for more information about Gary Taylor Dance. If you have any questions or would like to speak with a Gary Taylor Dance representative, please e-mail us at chat@taylordance.org or call us at 910-420-1025.
